Professional Experience

SARL RAYANOX
IT APPRENTICE
10/2021 – 07/2023

- SARL RAYANOX**
IT Help desk
07/2023 – Present | Oran, Algeria
- Provide technical support to 100+ employees across hardware, software, and network environments, ensuring minimal disruption to operations.
 - Manage and resolve 25–40 weekly support tickets using **GLPI**, maintaining strong response times and user satisfaction.
 - Administer and maintain Windows workstations, including system updates, user configuration, access permissions, and endpoint security.
 - Support and troubleshoot **ERP Odoo** system across multiple departments, resolving both technical and functional issues.
 - Architected and managed **TrueNAS** storage solutions, ensuring 99.9% data availability and robust disaster recovery via Veeam protocols
 - Diagnose and resolve network connectivity issues involving switches, routers, and internal infrastructure components.
 - Assist in IT equipment deployment, upgrades, and preventive maintenance initiatives.

Projects

- Rayanox E-Commerce & Order Tracking App**
- Engineered a full-cycle cross-platform e-commerce solution (Flutter + PHP/MySQL), consolidating **manual order entry from 5+ channels** into a single digital platform
- GestiFlotte: Fleet & Logistics Management System**
- Architected a fleet management application serving **70+ vehicles**, integrating real-time mission tracking, fuel consumption analytics, and mileage monitoring
- Trade Fair Lead Capture Application**
- Developed a cross-platform lead retrieval app replacing paper forms, enabling **real-time sync** of prospect data to CRM
